WORK EXPERIENCE

Steady IT Creation Sdn Bhd - Software Engineering Intern

Apr 2025 - Aug 2025

Johor Bahru, Johor

- Developed a web-based Management Console using **ASP.NET MVC 4.8**, Fluent NHibernate, and SQL Server to manage client websites.
- Built a dynamic HTML generator that reads section, page, and template data from the database.
- Implemented multilingual support, soft delete, section-based layout management, and UI modules such as Hero, Footer, Menu, Contact, and FAQ.
- Enhanced UI interactivity using jQuery, AJAX, Switchery, and folder navigation with jstree.
- Applied best practices in modular design, controller separation, validation, and user feedback (toast and modal-based).

XHealth International Sdn Bhd - IT Support (Remote)

Jan 2024 - Apr 2025

Puchong, Selangor

- Provided technical assistance for clinic and dental management software (Doctor Assist), guiding customers in using features like patient management, billing, and reports.

- Proactively resolved 95% of MySQL and PC-related issues by troubleshooting SQL errors and optimizing system performance, enhancing efficiency.
- Utilized **JIRA** Service Desk to track, manage, and resolve over 100 support tickets monthly, while also developing a streamlined triage and escalation workflow that improved response times and enhanced customer satisfaction.
- Ranked among the top three in ticket resolutions, despite working part-time, consistently delivering effective solutions within a half-day schedule.

SP Advisor Shd Bhd - Financial Advisor

May 2020 - Apr 2023

Johor Bahru, Johor

- Exceeded sales KPIs by 20% across Mortgage, Medical Card, Life Insurance, and Wealth Investment sectors.
- Developed tailored insurance and financial plans for over 50 clients, aligning with their unique needs and goals.
- Successfully managed 5 Facebook pages and optimized Ads campaigns, increasing engagement by 30%.
- Streamlined coordination of over 100 inbound calls and emails monthly, enhancing response efficiency through strong organizational skills.

Outbac Broga - Chief Instructor

Jun 2016 - Mar 2020

Semenyih, Selangor

- Organized 10+ team-building activities for diverse age groups, enhancing collaboration and team cohesion
- Created engaging educational programs that increased camper participation by 30% and fostered enthusiasm.
- Ensured the safety of over 200 individuals by providing first aid and efficiently directing emergency evacuations.
- Successfully trained 10 new instructors and 15 volunteers, enhancing team capabilities and boosting engagement
